View and use marketing collateral

Canva

To view examples of how you should implement the QR codes into your marketing collateral, click the buttons below to see how we've added it into drop letters, property brochures, and even business cards.

**Drop
Letters**

Brochures

**Business
Cards**

Use these designs to inspire your own, or simply provide them when [submitting a design request](#) to have one of our designers customise them for you.

Download the QR Code here

To use the pre generated QR Code, simply click the button below. If the link doesn't work (due to the QR Code expiring), follow the steps in the next page to generate your own.

here](#)

Generate your own

Canva

To generate your own QR code, simply head over to Canva, begin a design, then follow the step by step guide below to generate your own.

**Generate a QR
Code**

Insert Link in Mailouts

Utopia

After speaking to or meeting with a client, you can promote the FN Calculator within a mailout. To find the marketing collateral needed AND to access a step by step tutorial on how to apply it, click on the buttons below.
